STONE

Transcendent wilderness creates a magical place that pushes the boundaries between nature, architecture and experience, where guests can feel a connection to the landscape through expressive visuals. The profusion of aura and magnetism produce a realm of deep comfort inspired by the sublime nature with its stark contrasts – unspoiled and evocative..

Quando una spiaggia vulcanica incontra un mare profondo e impetuoso, ecco che ci troviamo di fronte al paesaggio di Iceland, promemoria tangibile delle meraviglie che ci riserva il nostro pianeta. Un bellissimo panorama nel quale vivere, versatile e capace di esprimersi in ambienti differenti.
